Narayana E-Techno School
10

Intermediate 2022
Narayana Junior College
97.8

B-Tech 2026
JNTU College of engineering, Pulivendula
8.9

PROJECTS

Protfolio
This portfolio is built using HTML, CSS, and JavaScript to showcase my projects and skills. It features a clean design, responsive layout, and interactive elements for a better user experience.

Cards project
This project demonstrates the use of HTML, CSS, and JavaScript to design interactive cards. Each card is styled for a clean look and includes hover effects to enhance user experience.
